

AAA Construction now offers you the best in **patio enclosures, sun rooms, deck enclosures** and **patio covers** at a price that can't be beat!

How? We cut out the middle-man and offer factory direct to the homeowner installation of the highest quality design and materials. You get the best quality for less because you went direct to the factory instead of a "Home Improvement **sales & advertising** company" middle-man ! You keep the middle-man's profit for yourself!

The advantages of AAA Construction patio structures include:

- ✓ **Far less cost** than traditional "room additions" !
- ✓ Installed and ready to enjoy in a few **days**, not 6 months of aggravation!
- ✓ Adds hundreds of square feet of indoor/outdoor living space !
- ✓ Adds **value** to your home ... far more than what it costs ... You're in profit on Day 1 !
- ✓ Does not add to your home's property taxes !
- ✓ Strong and highly energy efficient (2 to 4 inch thick rigid foam insulated walls)
- ✓ Weather-proof ... does not rust, fade, or crack ! Lifetime Guarantee!
- ✓ Optional built-in electric outlets, **French Doors**, ceiling fan attachments, and lights !
- ✓ We provide all necessary building permits !

Our patio enclosures are available in many standard designer colors, or we can match it to your house's exact color scheme!

Imagine being able to plan a party in your new enclosed patio, sun-room, indoor/outdoor dining patio, or covered patio **next week**, not next year! Call 800-452-1244 today and enjoy your new indoor/outdoor living space next week.
